## Memorize Verses of Scripture

Memorizing God's word is the only way to "hide God's word in our heart, that we might not sin against him. We are never too old to work on memorizing passages of Scripture, in fact, it is an excellent way to exercise the brain the older we get. Make it a daily, weekly and monthly routine. Find a prayer and accountability partner who will memorize with you and keep you accountable. Use any translation you are comfortable with.
