JUNE 8, 2025

What a gift it is to come together so easily and peaceably to share in the praise and worship of our LORD.

"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." Hebrews 10:24,25

TODAY'S SERMON

PASTOR TOM

1 JOHN 2:18-27

²² Who is the liar? It is whoever denies that Jesus is the Christ. Such a person is the antichrist—denying the Father and the Son. ²³ No one who denies the Son has the Father; whoever acknowledges the Son has the Father also.

Fellowship is critical to the life of the church. Christianity is not a spectator sport that happens on Sunday. It is a common shared life with other believers.

We are a living organism dependent on each other; we have but one Head

If one member suffers all suffer; If one is honoured, all are honoured.

"The Priority of Christian Fellowship" sermon by John Piper

Christian community is like the Christian's sanctification. It is a gift of God which we cannot claim. Only God knows the real state of our fellowship, of our sanctification. The more thankfully we daily receive what is given to us, the more surely and steadily will fellowship increase and grow from day to day as God pleased.

From "Life Together" by Dietrich Bonhoeffer

TODAY: APPRECIATION LUNCH

Please join us for a casual lunch in the basement

"Make it a habit to tell people, 'thank you.' To express your appreciation sincerely and without the expectation of anything in return. Truly appreciate those around you, and you'll soon find many others around you. Truly appreciate life, and you'll find that you have more of it."

—Ralph Marston
