Today's Sermon

Pastor Tom

"Does God Exist?"

Romans 1:19-20

... since what may be known about
God is plain to them, because God
has made it plain to them. For since
the creation of the world God's
invisible qualities—his eternal power
and divine nature—have been
clearly seen, being understood from
what has been made, so that people
are without excuse.

Psalm 19:1-2

The heavens declare the glory of
God; the skies proclaim the work of
his hands. ² Day after day they pour
forth speech; night after night they
reveal knowledge.

Study Questions

What convinces you most that God exists?

How do you respond to someone who says belief in
God is irrational?

How do you explain morality to someone who doesn't
believe in God?

What role does personal experience play in knowing
God?
