

ដំណឹង News  
From the Ends of the Earth

February 2023, Phnom Penh, CAMBODIA

In case you haven't heard, the Christian & Missionary Alliance has been active in Cambodia for one hundred years. We hailed this fact with a four-day Centennial Celebration. The Cambodian Prime Minister spoke as did his son (who will most likely succeed him soon). There were thousands of Christ followers from the countryside who came to join the city folks. The last two days were a multidenominational festival commemorating a century of the gospel in this kingdom. It was exhilarating.

Back in December, the Student Residence and Discipling Centre had their Christmas Outreach. They invited friends and classmates to come to a party at the dorm. They made food and decorated until the guests started to arrive. Then they presented a

nice program with singing, personal testimonies, prayers and a devotional. At the end, they gave us a couple plants as a Christmas gift. I spoke to one of the young ladies who many of you have been praying for. I told her that all I wanted for Christmas was that she accept Jesus. Praise the Lord, a couple days later, she did. Please do not stop praying for the four who still have not accepted this amazing gift. Our new Dorm Leader, Theang has done well these first two months. There have been some challenges that she has handled nicely. Please remember her when you pray for the SR&DC. Praise the Lord, we have several new kids coming. After celebrating Christmas day at TNT church, we caught a flight to Bangkok with plans to see the doctor on Boxing Day. Patti's hearing is failing a bit

due to Meniere's Disease. Over the next few days she had some other tests done that required us to wait around for the results. Everything was fine, and we ushered in the New Year with thousands of Thai people at CentralWorld.

Last week, there were two district conferences at TNT church. Patti joined hundreds of women for seminars on the characteristic of a godly mother. Please pray that these ladies will go deeper in their relationship with Jesus.

The Alliance is known as the KEC in this kingdom. They have had a few missionaries that they have sent out. Currently they have only one couple who are from the B'Nong tribe. Please pray for Proinh (rhymes with boing) and his wife as they work with the Lao in Cambodia.

If you would like to donate to our ministry, follow this link: <https://thealliancecanada.ca/gift/david-and-patti-ens>. Your G.A.F. "Support" helps C&MA IWs worldwide. Your gifts marked: "ENS Ministry Partner Fund" covers costs to keep our vehicle running as well as our secondary ministries. If you would like to donate to the Dorm Ministry in Phnom Penh, designate your gift to "Student Residence & Discipling Centre". All North American donations are eligible for a tax receipt.

Serving Christ in Cambodia with the Alliance in Canada,

David & Patti Ens
