

ដំណឹង News From the Ends of the Earth

June 2026, Abbotsford, CANADA

In case you hadn't heard, we are now in Canada. It is quite the change. The flight from Cambodia through Hong Kong went without a hitch. We are very grateful that our dear friends collected us from the airport in Vancouver and then keep us one night at their home since it was just about midnight when we arrived in Abbotsford. We got into our condo the next day and have been making it a home since then. One of our joys has been enjoying the cherries. We were invited to General Assembly which was held in Calgary at First Alliance Church. We all sensed the presence of God, and one day we got this amazing reminder.

The news from the Student Residence & Discipling Centre is good. Mary is doing a fantastic job even though her family has quite a few medical problems. Please pray for mercy from God as it concerns Mary's mom and dad. Several of the residents are going into final exams. Pray that they will have adequate time to study, and then good recollection when given their tests at university.

Before we left Phnom Penh, David was asked by the pastor to preach at Tumnap Teuk church. He has an illustration that required him to grow a big white beard. A couple of days later he was back to clean shaven. Sal, the lead pastor, requests prayer for new leadership as he realizes he is getting old and there needs to be new blood. Dear friends

and family, please pray for these three interim preachers: Eden, Davit, and Mayura.

As we look at our Home Assignment speaking schedule, we realize we are going to need prayer support. We will be as far north as Kitimat, BC; as far south as Phoenix, AZ; as far east as Toronto, ON; and all over the lower mainland where we live. Pray that our vehicle performs exceedingly well. Pray that all our air travel will go according to plan and that our luggage will always be there when we get off the plane. Pray that those who hear our presentation will be burdened for the lost. Pray that they will want to support Patti when she returns to Cambodia after David retires on 31 December.

Many years ago we had a house helper named Sophea. David baptized her on the same day he baptized our two eldest children, Jesse and Stéphanie. Sophea started off strong, but after she got married, she stopped going to church and soon had found herself floundering. She sought wisdom from unsaved friends and family and even contacted a soothsayer. Just before we left Cambodia, God brought her back into our lives. She wept with Patti when confessing her foolish choices. We told her that God never stopped loving her. Please pray that she will find her way back into the joy of the LORD.

We are still concerned at the state of our project funds. The SR&DC is not a costly project, but it does need funds to continue to operate. Follow this link: <https://thealliancecanada.ca/gift/david-and-patti-ens> if you would like to donate to our ministry. You may also designate your gift at any Alliance church in Canada. You will get a tax receipt no matter which way you chose to give.
